Subject: My Spicer connection.

Hi Cathy,

Yes my grandmother married a Sprinkle, but he was her second husband and they had no children together. My family gets confusing, but it works out in the descendant charts.

Here is a descendant chart showing the line of Clara Spicer, you probably have more on Uncle Roy Wainwright than I do, because LeeRoy was going to send me a copy of his data, two years ago. I have a lot for my direct line, but some are missing, because I don't live close enough to keep up with new additions. Here's what I have. You will notice that my Daddy, Levi Albert Sprinkle is included twice, he and Mama were divorced and then he married her sister Lillie Ruth.(I told you we were confusing.) Grandma married Joseph Sprinkle as her second husband, he was my Daddy's older brother. Daddy's youngest brother was married to Mama's sister Vivian Elsie. Mama's brother was married to Daddy's niece. My first husband is married to my cousin Marie and if you aren't too confused, here's the chart:-)

Sylvia
